**TARANTO** Today's bedroom gives as much function and good looks as every other room in the house. Create a bedroom to be proud of with the ageless appeal of Taranto. A selection of neutral tones echo today's most up-to-date trend that can be combined with either toning or patterned soft furnishings.

## PIZZO GLOSS

Wake up refreshed with the inimitable presence of Pizzo Gloss. Acrylic laminated and edged doors give this design an undeniable confidence. Subtle shades complete a minimalist look with a warm and fresh feel.

## RAVENNA

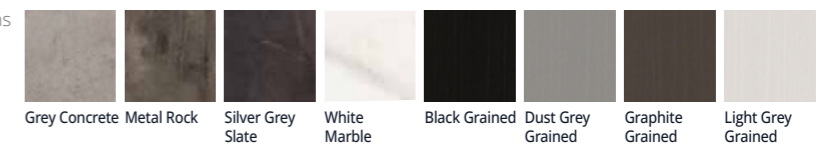

A new era for the bedroom, Ravenna takes a fresh approach to layout and the possibilities on offer. A range of eye-catching robes provide a geometric play for the eyes. Very much a bedroom for those cosmopolitan tastes.

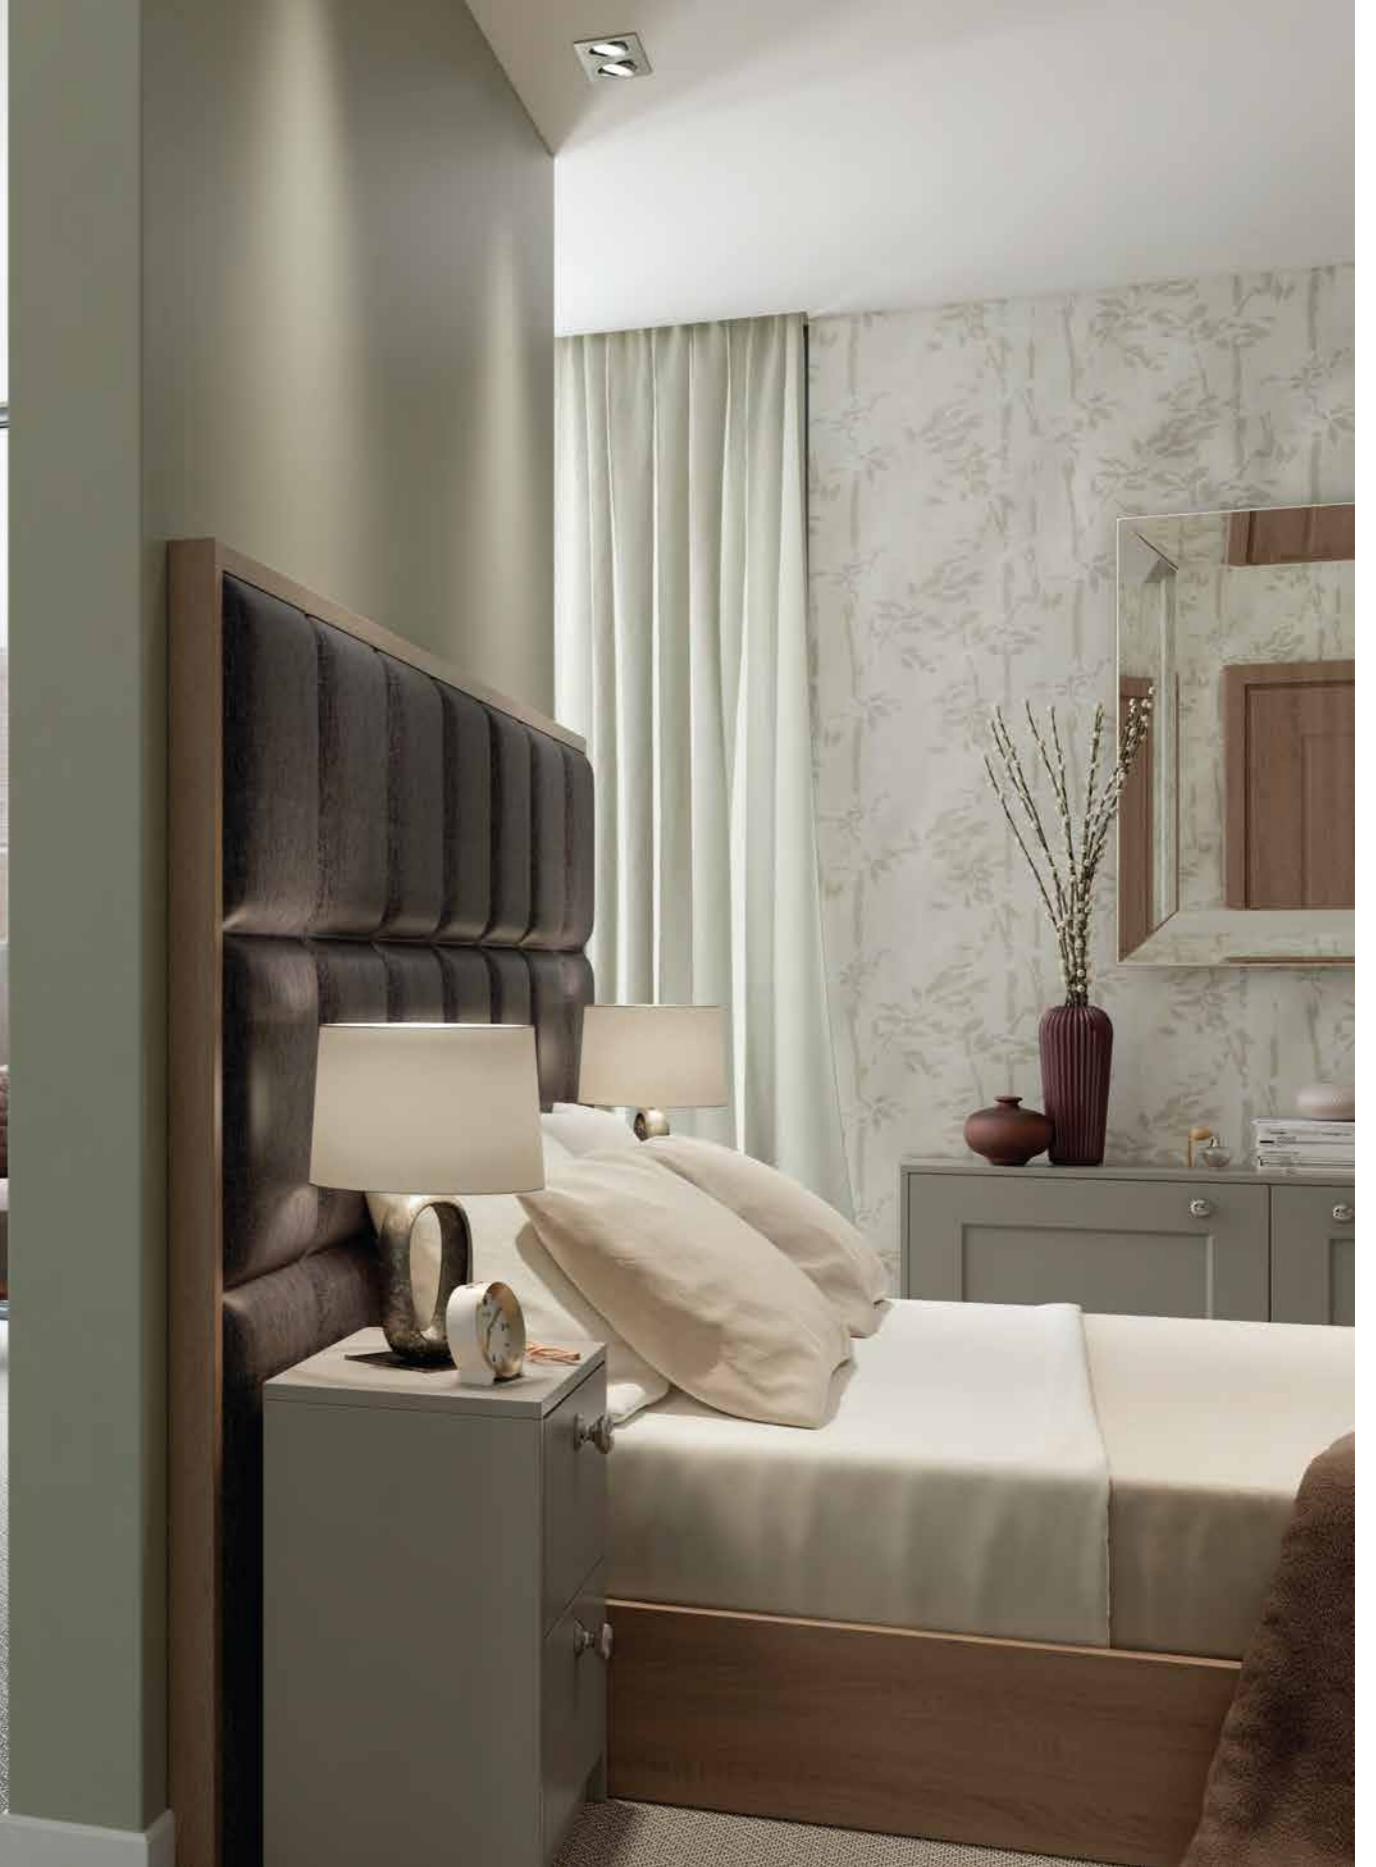

## SIENA

The modern elegance of the crisp flat panels makes Siena a bedroom of definition and timeless appeal. Fitted robes provide ample storage facilities and bedside chests are an added asset, a cool combination that reflects natural light in the room.

Colour Options

## WELSBURG

With elegant panelling and crafted finishing, Welsburg can sit at home within the bedroom, a hallway or any area of the home where storage is of the utmost importance. Colour choices complement existing decoration and allow your home to function and flow at its best.

Colour Options

## MODENA

Clean and crisp, Modena offers a practical solution to storage requirements creating a relaxing and elegant room. This beautiful design makes the most of dimensions and style. A stunning addition to any bedroom.

## CASOLI

With the ability to combine timeless design with an abundance of function and space management. Casoli is a stylish illustration of layout expertise. Features include spacious hanging space, accessible cupboards and gently gliding drawers.

## HAFLING

Order and function combine to produce classic appeal for Hafling. Featuring clean shaker style doors and streamlined handles, the effect is neat sophistication. Uncomplicated fresh furnishings add to the airy, spacious feel.

## GAVI

With its graceful persona, Gavi is an agile combination of dextrous design strategy. Wake up refreshed and revitalised with the soothing harmony of low level storage that is skilfully combined with ample robes.

## WALSER

With Storage being the most important consideration for so many people, this design offers plenty of scope. Fitted robes provide ample storage facilities. The end result is a calm, understated bedroom with broad appeal.
